Brand New Book ***** Print on Demand *****.I believe this book will be a great help both emotionally and spiritually to all those who are caregivers. I invite you to come and explore my journey as a caregiver. My story may be helpful for those contemplating leaving your loved one in a nursing home, or like me, you just left your loved one in a nursing home. You might wonder what's next. Where do you go from here? How do you handle this new giant in your life? What do you do when you come up against a Red Sea that looks impossible to cross? This book contains the chronicles of my journey during my three and a half years visiting my husband in a nursing home. It starts out with my fear of the unknown and thoughts of shattered dreams. It also conveys how broken dreams can be reversed and burst into true genuine life and living. I found out that this episode in my life was not to dread or fear. It was a time of growing into the person God created me to be. God knows how to make something authentic out of the ashes of our lives and turn our hopelessness into a time of hope and expectation. It's a time to fear not, and see the deliverance of the Lord. As we learn to sit still, hold our peace and remain at rest, we will see the giant go down and the Red Sea open up to allow us to walk on dry land, into a future He has ordained for each one of us. There you will find Lilies in your Valley.
