## THE QUALLS CONCISE ENGLISH GRAMMAR

Danaan Press, United States, 2012. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The Qualls Concise English Grammar is a text that treats specifically of North American English. American-Canadian English- ACE -which is both the native dialect of the predominant majority (almost 74 %) of native English speakers, and is the standard for International Business. ACE is the oldest dialect of English, preserving capabilities and distinctions of vocabulary that have been lost in British English and other dialects. ACE is, in fact, closer (particularly in grammar and pronunciation) to the language of Shakespeare than is modern British English. This grammar is written to the traditional standards of English teaching, in which understandability and correctness took precedence over the pseudo-psychology of undisciplinable self-esteem-ism. The grammar starts with a quick, high-level survey of the English language, aspects of its history and dialects. Then it presents schemas of the parts of speech and aspects of each that will be treated in the text. The grammar itself proceeds through each part of speech, starting with general descriptions and progressing to more detailed points and explanations. After this, aspects of the sentence are covered, followed by concise rules for capitalization and punctuation. Within the section for each part of speech and for the sentence are given points of correct or suggested usage. Copious examples are given for each description, rule or suggestion. The final part of the text covers Structural analysis of sentences and the clauses of which they are constructed. Parsing is treated first, with parsed selections taken from the examples given in the Grammar portion of the text. After that, extensive instructions are given for traditional diagramming and for an updated adaptation of traditional diagramming called Qualls Concise Diagramming. QCD is built...
