Reviews

Extremely helpful to all type of individuals. It really is basic but excitement inside the 50 % of the pdf. Its been designed in an remarkably basic way and is particularly only right after i finished reading through this book in which basically transformed me, change the way i believe.
(Agustina Treutel)

Baker Publishing Group. Paperback. Book Condition: new. BRAND NEW, Nothing to Hide, J. Mark Bertrand, The Stakes Have Never Been Higher for this Homicide Cop "Publishers Weekly" calls J. Mark Bertrand's writing "gritty and chilling." He returns once more to the streets of Houston for another twisting mystery featuring Detective Roland March. This time, a new case is launched by the discovery of a headless corpse . . . only the investigation quickly becomes complicated when a blood sample analysis brings a phone call from the FBI. The body was an undercover agent working to bring down Mexican cartels. The feds want the case closed rather than risk exposing other agents in the field, but March can't abide letting a murder go unsolved. And he doesn't have to dig long to figure out something isn't right. Someone is covering something up, and it seems that everyone has something to hide. Maybe even March, as the case soon intersects, unexpectedly, with the murder that led him to become a homicide cop, all those years ago.
