Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

If you have birth certificates to send in and no deaths have occurred, the notation No Deaths should be entered on the bottom of the slip accompanying the birth certificates. If you have death certificates to forward and no births have occurred, the notation No Births should be entered on the bottom of the statement card accompanying the death certificates. If a death has occurred and has not been properly registered, then make a memorandum on the card showing name, date of death, cause of death if known, and name of delinquent undertaker. If a birth has occurred and has not been properly registered make a memorandum on the back of the statement slip showing the name of the physician, midwife or nurse, as the case may be, with their address, and date of birth. This memorandum will secure credit for the return, provided the certificate is sent in with the next month's report. 3. Do not forget to enclose a statement card with your report of deaths or a statement slip with your report of births, nor to see that the registered numbers are properly entered on the face of each certificate. 4. It is the duty of each registrar to exercise a careful supervision over his district and to know that no deaths or births occur that are not properly registered. If any undertakers violate the law, or habitually neglect to secure...
