Reviews

A fresh e book with an all new viewpoint. It is really simplistic but unexpected situations in the 50 % from the book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

The rendezvous was a mule transport reeking with its cargo, still tied up to the sun-scorched wharf where scores of loungers loafed and gazed up at the rail and exchanged badinage with the supercargo. Beside him, leaning on the blistering rail, stood a self-possessed young man named Harry Stent. He had been educated abroad; his means were ample; his time his own. He had shot all kinds of big game except a Hun, he told...
