Reviews

These types of book is the greatest ebook readily available. I was able to comprehend every little thing using this published e pdf. I realized this pdf from my dad and i encouraged this publication to discover.

(Dr. Porter Mitchell)

DIWATA

BOA Editions, Limited, United States, 2010. Paperback. Book Condition: New. 533 x 358 mm. Language: English . Brand New Book. Tagalog is a language spoken by twenty-two million people in the Philippines. Diwata is a Tagalog term meaning muse. Diwata is also a term for a mythical being who resides in nature, and who human communities must acknowledge, respect, and appease in order to live harmoniously in this world. In her book *Diwata*, Barbara Jane Reyes frames her poems between the Book of Genesis creation story and the Tagalog creation myth, placing her work somewhere culturally between both traditions. Also setting the tone for her poems is the death and large shadow cast by her grandfather, a World War II veteran and Bataan Death March survivor, who has passed onto her the responsibility of remembering. Reyes voice is grounded in her community's traditions and histories, despite war and geographical dislocation. From *Estuary 2* : She was born with fins and fishtail, A quick blade slicing water. She was her father's mermaid child, A river demon, elders said. She mimicked her cetaceous brothers, Abalone diving bluest depths. She polished smooth her brothers masks, Inlaid nacre half moon eyes. She lit oak pyres and bade the wind A whispered requiem. Barbara Jane Reyes is author of two previous poetry collections including *Poeta en San Francisco*, which was awarded the 2005 James Laughlin Award from the Academy of American Poets. She was born in Manila and raised in the San Francisco Bay Area. She works as adjunct professor in Philippine studies at the University of San Francisco. From National Book Critics Circle: *Diwata* as a mythological invocation takes the reader back to pre-colonial Philippines when the belief in these god and goddesses shaped the everyday lives on the Southeast Asian archipelago. They have...
