Out of Tune!

By Anand Rashmi

Times Group Books, New Delhi, India. Softcover. Book Condition: New. First Edition. Rashmi Anand had always thought that if she ever wrote her autobiography, she would call it A SONG IN MY HEART. After all, 70% of her 10 books are songs of joy and abundance. But over time, she came to the conclusion that the notes of life, (at least her life!) were more than a little OUT OF TUNE. hence the name of this book! OUT OF TUNE is a peek into the completely crazy life and home of Rashmi Anand and her children. It is the truth of the joys of single parenting, empty coffers, growing old and losing your mind! Rashmi promises that this book is the truth, and nothing but the truth. so help her God! The whole truth has been heavily censored by her daughter Sonakshi. And completely denied by her son Yashveer! Walk a few steps with Rashmi on the joyful journey of her life, and you may relate to a few instances. You may even laugh. But most definitely after reading about Rashmi's life, you will go down on bended knee and thank God for your own! Printed Pages: 136.
