Aladdin Paperbacks, United States, 2015. Hardback. Book Condition: New. 218 x 148 mm. Language: English . Brand New Book. Mia moves from the shadows to the spotlight when her matchmaking plans go awry in this contemporary M!X novel from the author of 30 Days of No Gossip. Mia is used to feeling overlooked: her perfect older sister gets all the attention at home, and the popular clique at school are basically experts at ignoring her. So when it s time for the annual Student Council chocolate rose sale, Mia is prepared to feel even worse. Because even though anyone can buy and send roses to their crushes and friends, the same (popular) people always end up with roses while everyone else gets left out. Except a twist of fate puts Mia in charge of selling the roses this year--and that means things are going to change. With a little creativity, Mia makes sure the kids who usually leave empty-handed suddenly find themselves the object of someone s affection. But her scheme starts to unravel when she realizes that being a secret matchmaker isn t easy--and neither is being in the spotlight.
