Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Grassfields Stories from Cameroon is an anthology of short stories. It comprises animal trickster tales, bird survival tales, and human-interest stories. The compendium is a reflection of the mores, cultures, and value systems of the indigenous peoples of the Northwest Province of Cameroon. It is motivated by the author's keen interest in the preservation of Cameroonian oral traditions in written form. These stories deal with the day-to-day life of the sedentary and the globe-trotter. Each story is sufficient unto itself. The author has intentionally avoided chronology in the order of presentation of the stories. Whether you read the stories in the order in which they are presented or dart about as your fancy dictates, you will feel the abundance of richness and entertainment the book contains. The didactic value of this collection of short stories resides in its suitability to readers of all age groups. The uniqueness of the volume lies in its universal appeal.
