## The Art of Being Psychic

By June-Elle Laine

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Art of Being Psychic, June-Elle Laine, We all have psychic ability, and can tap into the under-utilized areas of our brains. To most of us contacting the "creative source", thinking outside the box of our own limitations, in the style of artists as diverse as DaVinci and Mozart down to Einstein and George Lucas of today, doesn't come easily. But, with practice, we can develop this ability. We can enter "altered states", and produce art which is beyond our conscious efforts. This book shares the fun of psychic art adventure. It removes the "Myst" from "Mystic", leaving "IC". It shares a new perspective on self awareness that unlocks creativity. Balancing intuition with logic, right and left brain thinking, mind, body and spirit, by following these practices you can tap into your psychic self and produce art representing truths you didn't realise you knew.
