THE FIBRE CONDUIT CO. ORANGEBURG, N. Y. New York Boston Chicago San Francisco page has many of the features of the trailer just described, but it is 8 ft. long, 46 ins. wide and 16 ins. high. Columbian trailers are manufactured in a number of other models which are well special body one-ton Denby truck. As will be noted from the illustration, there is one feature which is somewhat different from other special telephone bodies in use. Immediately behind the driver One of the Popular Models of Columbian Trailers. adapted for hauling telephone construction materials and supplies. Telephone companies interested in cutting down their haulage costs will do well to drop a line to the Columbia Wagon Co., at Columbia, Pa., for descriptive literature relative to its complete line of trailers and semi-trailers. Motor Truck Which Meets Needs of Telephone Companies. One basic reason why a good many businesses, which unquestionably can use motor trucks profitably, have never been completely motorized, is that those trucks which have been used have not been properly fitted to the requirements of the work in which they were engaged. The truck selected should be fitted in every possible way to handle the work more economically or more quickly and better than it can be done by any other means. Denby trucks are built in such a variety of capacities, sizes and body styles as to make them adaptable for any...
