Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. We deal exclusively with existential threats to the United States of America. We maintain National Security and stability where others cannot due to self-imposed restraints. In this world, there are threats that far exceed the capabilities of any conventional national security apparatus. How have we come this far? Who is the true last line of defense? Joshua Quinn is a born soldier and patriot, but he is a haunted man. The trauma of battle, a defective upbringing and the creeping banality of a nation at peace have numbed his mind and heart. During a routine mission in Europe, Joshua is overtaken by circumstance and thrust into a shadowy world wherein he can make a true difference. If he chooses to be part of this world, he will not only be haunted-He will be hunted. In the tradition of Nelson DeMille, Brad Thor and Lee Child, The Pitch: Book I of The Rubicon Chronicles sets the stage for an epic military espionage conspiracy thriller. The story continues in The Forge: Book II of The Rubicon Chronicles, set to release December 1st, 2015.
