Reviews

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 122 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Michael Purbeck was making his way home late a night to the village of Chelsea during a very bad thunderstorm in 1672 when he was murdered. Lord John Fisher was summoned by the villagers to the scene from his home at the Manor nearby who promptly set about getting a young lame boy to sketch the area before the body was taken away. Lord Fisher had some revolutionary ideas on how to go about solving the mystery of Michaels murder together with other recent gruesome goings on. Fisher gets a team of high and low ranking people about him. Between them they trace villainy down through the docks at Wapping uncovering piracy, murder and an attempted coup on King Charles life. When the King is told of the coup, he funds Fisher to get to the bottom of the plot and counter-plots. Fisher eventually traces the sources of treason and piracy too close to home for comfort! This item ships from La Vergne, TN. Paperback.
