Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

BEAUTIFUL DUCKS

Frances Lincoln Publishers Ltd. Paperback. Book Condition: new. BRAND NEW, Beautiful Ducks, Liz Wright, Christie Aschwanden, Andrew Perris, The bestselling Beautiful series has embraced sheep, pigs, cows and chickens in its growing portfolio of handsome beasts given the full studio treatment by a leading portrait photographer. Next into the frame waddle the humble members of the Anatidae family of birds. Beautiful Ducks plucks 40 of the world's most distinctive duck breeds from the pond and displays them in all their glory. Stylishly lit and shot against draped backgrounds, these sitting ducks are prize-winning examples that have been primped and preened for their moment in the spotlight. They reveal not only a surprising diversity of shape and hue, but also a range of mischievous personalities and an uncanny ability to look the viewer in the eye. The book includes descriptions of each breed, covering their origins, physical attributes and uses. There's also a history of ducks, and introduction to breed basics, and reportage photography from rare breed shows. So, whether you wish to get abreast of the duck world, admire beautiful photography, or argue endlessly over your favourite portrait, if you're looking for an irresistible gift book then Beautiful Ducks is sure to fit the bill.
