Aspire Create Publishing, United Kingdom, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was written for the purpose of helping anyone who wants to learn a new language in an effective, efficient, inexpensive and enjoyable way. You can use the advice and methods described in this book to learn a new language to a conversational level in only 1 year without leaving your country and without the need of a language learning college or university course. The methods described in this book require you to only study around 1 hour per day everyday for 1 year; therefore, if you work full time or you are a full time student in a subject unrelated to languages, then this book is still suited for you. Some of the advice given in this book: Advice given in this book: The most effective language learning methods How you must alter your learning routine as you improve your level in order to learn a language in the most efficient way The best resources available to help you find language learning partners The best methods to learn grammar without the stress Efficient methods for remembering words long term How to boost your motivation to continue learning until the end Reasons why you should be learning a new lanugage Details of methods you should avoid This book is broken down into 2 parts. Part 1 of this book covers general advice and knowledge about language learning along with information and facts about languages in general. Part 2 of this book contains a step by step 4 part guide, which describes the changes that you must make as you progress in learning your new language in order to make your language learning experience a success....
