Finding the strength to endure one catastrophic change in your life after another is nearly impossible without the presence of God in your life. This novel takes you into one woman s journey through such an experience. Jenny, the main character, is faced with many life-changing events in a short period of time. While working at a local hospital, she is exposed to a chemical that escalates the end of her career, takes her health and her marriage. All in the midst of a multi-million dollar lawsuit. Her faith is tested to the limit as she begins to blame God for all the wrong things in her life. Regaining her strength and her faith is a difficult task. Remembering what her Grandpa Jake had told her as a little girl, in a burned out church across the hay field; Jenny is reminded that All things work together to the good for those that love the Lord.
