Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The New Spirit in Egypt There is only one study which is more fascinating than the study of the lives of men - that is the study of the lives of nations. A man's career may be full of incident; its vicissitudes may have been romantically varied; the unfolding of character, the play of temperament, the formation of ideals, may cause the pages of a book to throb and quiver with life. How much more - for those whose minds are trained to grasp it - the development of a nation, the growth of national consciousness, the interaction of the forces which mould the destiny of a race! About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
