Parallax Press. Paperback. Book Condition: New. Dave Buchen (illustrator). Paperback. 272 pages. Dimensions: 9.0in. x 6.1in. x 1.1in. Every animal has a story. In ZOOBURBIA, urban naturalist Tai Moses launches a lively exploration into the extraordinary, unruly, half-wild realm where human and animal lives overlap. The authors' woodsy backyard at the base of the Oakland hills becomes a laboratory for encounters with a variety of animals, from deer, raccoons and squirrels to birds, lizards and feral cats. The more Moses learns about their natural histories, the more curious she becomes about their life histories--their stories. After a failed attempt at backyard farming, Moses turns her energies to wildlife gardening in an effort to restore some of the dwindling habitat that sustains our wild neighbors. A captivating blend of memoir, natural history and storytelling, illustrated with original linoleum block prints by Dave Buchen, Zooburbia is a magnifying lens turned to our everyday environment. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
