

Writing with Mentors: How to Reach Every Writer in the Room Using Current, Engaging Mentor Texts

Filesize: 4.48 MB

Reviews

Certainly, this is actually the very best job by any author. it was writtern very flawlessly and beneficial. I found out this publication from my dad and i recommended this ebook to discover.
(Magali Robel)

WRITING WITH MENTORS: HOW TO REACH EVERY WRITER IN THE ROOM USING CURRENT, ENGAGING MENTOR TEXTS

Heinemann Educational Books, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book. Writing With Mentors is one of the best books I ve read on harnessing the power of mentor texts to spur authentic student writing. --Kelly Gallagher, author of Write Like This Writing With Mentors has transformed the way I think about using exemplar pieces. --Christopher Lehman, coauthor of Falling in Love with Close Reading I am certain Don [Graves] would have celebrated these wise, kind, and fearless advocates for young writers. --Penny Kittle, author of Write Beside Them In Writing with Mentors, high school teachers Allison Marchetti and Rebekah O Dell prove that the key to cultivating productive, resourceful writers-writers who can see value and purpose for writing beyond school-is using dynamic, hot-off-the-press mentor texts. In this practical guide, they provide savvy strategies for: --finding and storing fresh new mentor texts, from trusted traditional sources to the social mediums of the day --grouping mentor texts in clusters that show a diverse range of topics, styles, and approaches --teaching with lessons that demonstrate the enormous potential of mentor texts at every stage of the writing process. In chapters that follow the scaffolded instruction Allison and Rebekah use in their own classrooms, you ll discover how using mentor texts can unfold across the year, from inspiration and planning to drafting, revising, and going public in final publication. Along the way, you ll find yourself reaching every writer in the room, whatever their needs. Our hope in this book, they write, is to show you a way mentors can help you teach anything you need or want to teach in writing. A way that is grounded in the work of real writers and the real reading you do every day. A way that...
