When she got lonely, she turned to the animals in her playroom: rabbits, mice, frogs, hedgehogs. even a snake! From an early age, she was a talented painter, and she published her art as a young woman. Her dream of becoming a children s book author, though, didn t come true until she was in her mid-thirties. After writing a letter about four little bunnies to a friend s son, Beatrix created The Tale of Peter Rabbit. The story was turned down several times but was finally picked up by Frederick Warne Co. Beatrix spent the rest of her life in the countryside, painting, drawing, farming, and protecting the land she loved so much.
