We all want to live in a better world, but sometimes it feels like we lack the ability to make a difference. Combining fresh new insights from history and other disciplines, this book will give you a sense of what might just be possible, as well as the inspiration and the courage you need to go about improving and changing the world we live in. The School of Life is dedicated to exploring life's big questions: How can we fulfill our potential? Can work be inspiring? Why does community matter? Can relationships last a lifetime?
