Reviews

It is one of the best books. Indeed, it really is playful, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Lemonade Stand Economics, LLC, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.What Lemonade Stand Economics will do. Give students a plan to pay for college without needing student loans. Sitting in the financial aid office at freshman orientation is not the time to start planning how you are going to pay for college. The best way to avoid student loan debt is to never sign the loan papers in the first place. In order to do that you need a plan. Lemonade Stand Economics is that plan. Educate students in financial literacy. Financial literacy standards are written right into Lemonade Stand Economics making it useful in the classroom. High schools introduce students to the basics of money management, but Lemonade Stand Economics takes it to another level by teaching students the importance of planning for their financial future, budgeting, setting financial goals and how debt impacts them after graduation. Teach students skills that will benefit them for the rest of their lives regardless of where their career path takes them. Even more important than the money students make working for themselves, is the real world education they receive. Time management, money management, how to market yourself, workplace etiquette, overcoming fear and handling rejection along with the importance of budgeting and the pain of debt. Real issues that are better learned during high school then after college. Paying for college is easier than you think Lemonade Stand Economics teaches high school students how to work for themselves and graduate from college without student loans. Learn to make \$15, \$20 or even \$50 per hour working for yourself and pay for college one semester at a time. It s not hard if you know what to do, but...
